

The Session

Thank you for giving Little Angels Photography the opportunity to create your child's portrait. We hope you have a good experience with us. If you are not satisfied for any reason or have questions, please feel free to contact us. Our goal is to give you the best service possible.

If unable to keep your appointment, kindly give 24 hours notice. There will be a \$45 cancellation fee for any appointments not cancelled before the 24 hour cancellation period. Please arrive on time; tardiness will take away from your 1-hour session. Appointments over 20 minutes late will be canceled.

The creation fee is paid at the time of the service.
You are welcome to bring up to 2 different outfits.

During your session we will take as many pictures as your child will let us take in the hour. For newborn sessions, your baby may need a feeding so be prepared. We also suggest that if you are planning on going anywhere important after your session to plan on bringing a change of clothing, just in case of any accidents with your naked baby. Grandparents and Dad are always welcomed and encouraged.

There will be a \$45.00 additional fee for appointments made on Saturdays.
Please do not bring cameras to your portrait sessions.

The Portrait Viewing Session

At your portrait session, we will schedule a time for you to return to view your portraits on a large 100-inch theater screen, put to lullaby music on a surround sound system. When viewing your portraits, we will be able to change any portraits to black & white or sepia tone, so you may see what tone you would prefer before making your purchase.

Little Angels Photography also offers our customers artistically retouched and enhanced portraits at no additional charge. Some of the enhancements we offer include: Blemish removal, crows feet, bags under eyes, scars, shine, hair wispsies, teeth whitening, softening effect, oil painting, removing logos on shirts and distracting objects. Extensive retouching may be an additional charge.

Please decide ahead of time whether you would like your child to come to the portrait viewing appointment. Older children may have an opinion on the images you choose. However, younger children may be distracting and make it difficult for you to focus your attention on the appointment. Please bring friends or family members who will be a decision maker on your portrait purchase.

Payment in full is due at the time your portrait order is placed. Once your order has been placed, we are unable to make changes. No refunds are available once you have placed your order.
